6. INTERNAL SHORTAGE FOR EQUITY

In case of purchase of securities by the Client, at times Member may be unable to deliver the securities to the said purchaser on the pay-out day due to non-receipt of the said securities from another Client of Member who has sold the securities against the said purchase transaction. In such cases, member may buy the shares from the market on T+ 1 day or on settlement day and deliver the same to the client or he may give close out at the rate as determined by the member.

7. INTERNAL SHORTAGE FOR COMMODITY

Member shall not be obliged to deliver any commodities or pay any money to the client until the same has been received by the Member from the Exchange, the clearing corporation/clearing house.

Clients are required to make Commodities/Funds pay-in on or before Settlement day. In case of default in pay-in by the client and the shortage is at member level i.e. internal shortage, a penalty as applicable from time to time (not exceeding the percentage prescribed by the exchange for auctioned trades), will be imposed on the defaulting client and the benefit will be passed on to the respective beneficiary client.

8. RESTRICTIONS/PROHIBITION TO TAKE FURTHER POSITION OR CLOSING EXISTING POSITION:

UIPL reserves the exclusive right to either prohibit the client from opening additional positions or to terminate existing client positions under certain circumstances. These circumstances may include restrictions related to trading volume, outstanding business, or margins as set forth by the exchange, Clearing Corporation, clearing house, and/or UIPL. Additionally, such actions may be taken in response to any extraordinary events that justify such restrictions. The client voluntarily relinquishes any and all claims for losses or damages, whether arising directly or indirectly from these restrictions.

9. TEMPORARY SUSPENSION/CLOSURE AT CLIENTS REQUEST

Upon receiving a written request from the client, their account can be temporarily suspended, and it will only be reactivated upon receiving a written request from the client. However, share or ledger balance settlements for the client can still be carried out during this period. Additionally, if the client submits a written request, their account can be permanently closed.

It's important to note that any temporary suspension or closure of the trading account will not impact the rights and obligations that were incurred before the suspension or closure. UIPL will not process any request for temporary suspension or closure unless all outstanding dues from the client are settled.

10. DE-REGISTERING A CLIENT:

UIPL retains the unilateral authority to unregister a client's account and immediately terminate services in order to safeguard its interests. These interests may encompass, but are not limited to, the following situations:

1. When UIPL is legally compelled to do so.
2. If the client's account remains dormant for an extended period.
3. When UIPL has reasonable grounds to suspect fraudulent activity associated with the account.
4. When there is a valid concern that the client may be incapable of meeting their financial obligations, whether expressed in writing or verbally.
5. Any other reason deemed reasonable by UIPL for account deregistration.

The client willingly relinquishes any and all claims for losses or damages arising, whether directly or indirectly, from such account deregistration. It's important to note that deregistration will not absolve the client of any liabilities resulting directly or indirectly from transactions conducted at any time prior to the deregistration.

11. INACTIVE CLIENT ACCOUNT

A client's trading account will be designated as inactive if no trades have been executed across all exchanges for a consecutive 12- month period. The marking of an account as inactive will occur on a weekly basis or at intervals determined by UIPL.

To reactivate the account, the client must adhere to the procedures outlined by the exchanges, which may include, but are not limited to, conducting in-person verification and submitting a reactivation application along with the necessary documents.

Furthermore, if a client fails to reactivate their account within two years, they will be required to submit a new Know Your Customer (KYC) form along with all the requisite supporting documents in order to activate their account.
